Green and Clean: Making Spartanburg Better.

The Spartanburg Men's Garden Club celebrated its 60th anniversary in 2008. If you would like to learn more about SMGC, we invite you to attend our meetings, held on the third Monday of the month at the Community Room in the Health Sciences Building, Spartanburg Community College, 7:00 pm. We look for people who are motivated to help and we welcome all men and women regardless of their knowledge or expertise. Visit our web site www.dirtdaubers.org for more information about the Club, its programs and projects.
