

# GARDENING & BEAUTIFICATION

---

June 20, 1980

## **THE PRESIDENT'S MESSAGE, by Charles Hart**

Thank you for your support on the Beautification Survey. It was the best ever. Below is a piece that I refer to often. I believe it is especially for *a good gardener*.

### *JUST FOR TODAY*

*Just for today, I will live through the next twelve hours and not try to tackle my life's problems at once. Just for today, I will improve my mind. I will try to do something useful. I will try to do something that requires effort, thought and concentration. Just for today, I will be agreeable. I will look my best, speak in a well modulated voice, be kind, considerate and courteous. Just for today, I will not find fault with a friend, relative, or colleague. I will not try to improve anyone but myself. Just for today, I will have a program. I might not follow it exactly, but I will have it. I will save myself from two enemies--hurry and indecision. Just for today, I will exercise my character. I will do a good turn and keep it a secret. If anyone finds out, it won't count. Just for today, I will do two things I don't want to do--just to exercise my will power. Just for today, I will be unafraid. Especially, will I be unafraid to enjoy what is beautiful and to believe that as I give, it will be given unto me. Just for today, I will seek to live in a way that is pleasing to the Lord.*

**THE KNAPHILL-EXBURY AZALEA OFFER** drew a good response. A sizable order will be mailed to Portland, Oregon next Wednesday, June 25th. Get your \$6 per plant to Harold Hatcher at the meeting or by mail before Wednesday.

**SPARTANBURG MGC WAS REPRESENTED** at the national convention in St. Louis in May by Life Member Emmett and Bertha Ezell McArthur. He attended workshops on soil testing and container gardening which is becoming more prevalent as a result of urbanization. The 1981 convention will be in Austin, Texas, June 12-15.

### SPRING PROJECTS SUCCESSFULLY COMPLETED

Over 50 Men's Garden Club members have contributed at least 1000 hours of labor to city beautification in the past four months.

*Landscape Judging* or Beautification Survey, our oldest project, drew a record 32 participants.

*Litter Cleanup* on Keep America Beautiful Day found 14 of our members dressing up South Pine Street for at least the tenth time.

*Tree Sale* in its second year called for the most workers - 40 - and the most hours. Unfortunately, newly planted dogwoods and crapemyrtles which are usually late leafing out have been hurt by erratic spring weather and sometimes delayed planting. Regular watering may bring later growth.

*Street Flowers*, a three year old project, have been planted by a dozen flower-loving members. All that remains is weeding and watering!

*Tree Bank*, our newest responsibility, has been helped by 18 working members already. We hope to finish mulching the 2500 young'uns with leaves within the week. The ones that are still living look good!

### JUNE MEETING AT MEMBERS' GARDENS

Program Chairman Bob Reynolds has scheduled a 'doubleheader' for this coming Monday evening at 7:00 instead of the usual 7:30 in order to finish before dark.

We will make our first visits to the yards and gardens of Richard Gwinn in Woodland Heights and Richard Sloan in Oak Forest. Gwinn goes for vegetables while Sloan's speciality is flowers, shrubs and trees.

Both places are one block off Reidville Road and easy to find. In the 1400 block of Reidville Road turn right into Luther Place, across from Georgetown Village apartments. Then left when it ends at St. James Drive. Take the first right which is Mohawk. Stop at the fourth house on the right, number 221, the Gwinns.

At about 8 o'clock the group will depart for Sloans. In less than one mile beyond the Reidville Road traffic circle are the pillars on the left at the entrance to Oak Forest. Turn in to the first intersection. The Sloans' house is on the left, the southeast corner.

Wives are invited, and carpooling is in order, especially for eastsiders and southsiders. Come, see how these two gardeners get their 'kicks.' June 23rd, 7:00-9:00 P.M.
